PUBLIC STATEMENT OF THE
OFFICE OF CONSUMER ADVOCATE
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. § 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (PUC or Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to file an Answer and Intervention and participate in proceedings before the Commission involving the proposed filing by UGI Utilities, Inc. – Electric Division (UGI-E or Company).

On November 9, 2010, UGI Utilities, Inc. – Electric Division (UGI) filed a Petition for approval of its Energy Efficiency and Conservation Plan (Plan). In its Petition, UGI proposes a voluntary three-year Plan beginning December 1, 2011 and ending November 2014. The Plan includes a portfolio of energy efficiency and conservation programs, including fuel switching measures and energy education initiatives, to meet the goal of encouraging energy efficiency and energy consumption reduction.

The Consumer Advocate determined to intervene in this proceeding to protect the interests of UGI-E's customers; to ensure that the proposed Plan and programs are in accordance with Act 129, the Commission's Secretarial letter regarding the voluntary submission of energy efficiency and conservation plans by small electric distribution companies, and all other applicable statutes, regulations, and case law; and to ensure that any increase in rates resulting from the adoption of the proposed programs and any related expenses are just and reasonable.

The OCA intends to review several areas of the Company's proposed plan including the design of the proposed programs; the cost effectiveness of the proposed programs and plan; and the Company's proposed cost recovery mechanisms. The OCA will seek to ensure that any costs

that are sought to be recovered are consistent with Commission regulations, statutes and applicable case law and result in rates that are just and reasonable.
